Our Greek School offers classes from Junior Kindergarten to Grade 8 every Saturday, from 9:00 am to 12:45 pm, starting in September and concluding in June.

Our curriculum is designed to provide a contemporary educational experience, focusing on the comprehensive development of oral and writing skills, with a strong emphasis on understanding, speaking, reading, and writing in Greek. Additionally, our curriculum encompasses subjects like Greek history, Greek geography, mythology, the Greek Orthodox religion, and preparation for the Ellinomatheia Exams.

As part of our comprehensive curriculum, we offer lessons in traditional Greek dancing. Our emphasis is to instill in our students a strong sense of pride in their ethnic heritage and their Orthodox religion.

Additionally, we offer an after-school program (12:50 pm - 1:55 pm) that has been thoughtfully crafted to assist students with their Greek homework, provide them with supplementary tutoring and academic support, and create a secure and supervised environment for them to engage socially.

At the conclusion of each Saturday class, parents and guardians receive detailed updates via email regarding the material and lessons covered during the class, as well as the assigned homework.
